

Automatic Cling Film Rewinder with Labeling

Model:PPD- ACR450L

Automatic cling film rewriter with labeling is newly developed model for manufacturing of cling film roll with labeling.

This model can also add perforation attachment to make the tear off the film easier.

It can work with both PE cling wrap, and PVC cling film for casting film and blowing film.

By PLC smart unit co-work with LCD touch screen, it is most user friendly, and non-skilled operator can run the machine.

Technical parameters:

Name: Automatic cling film rewriter with labeling

Model: PPD-ACR450L

Material: Food cling film

Mother roll width: max450mm
